

# Congregations Seeking Partners

## Datk, Transylvania (*Dopca, Romania*)

Datk is near Brasov, about 4 hours by car or train from Bucharest.

The minister is Minister László Major. Rev. Major and his wife Incze Kallós have a young son. Here is what Rev Major has to say about his village and why they want a partner:

*“Since I, the minister of the congregation, have lived in Datk, that is a period of a year and a half, I have initialized certain programs for all ages and needs: religious summer camps for the children, a women association, a choir of the congregation, winter and summer celebrations, trips to the nearby congregations, a day for the married couples and a day for the elders.”*

*“I have many plans for the future of our congregation and that includes a good partnership, with the exchange of experiences, cultural habits. A partnership we could include in our daily lives, keeping contact and hopefully seeing one another frequently as possible. Our congregation is open-minded and is very eager to establish a relationship with a congregation from across the ocean.”*
