Your world will be changed, and you may just change the world!

...Walking tentatively down a steep muddy road in the Khasi Hills, suddenly there were rough hands joined with my hands to guide and steady me whenever my balance threatened to give way. When I remarked on this comforting support, I was told:

“This is the meaning of partnership. When one partner is in danger, another reaches out with a helping hand.”

CONGREGATIONAL PARTNERSHIPS

Experience the joy of international congregational partnership that enhances congregational life in stimulating and surprising ways.

- Discover fresh insights about the history and practice of our liberal faith in other lands.
- Grow in understanding of the depth and breadth of our U/U faith.
- Be inspired as you collaborate to address poverty, improve educational access, support justice activities, and build a peaceful global community.
- Experience firsthand how global issues come to life through the personal stories of partners.

UUPCC's focus is supporting partnerships.

In addition to arranging travel, our programs help new partnerships get off to a strong start and ensure that they stay vital. We do this by providing best practices and up-to-date resources along with specialized coaching.

PARTNER VISITS AND PILGRIMAGES

Visiting is the best way to personally connect with your partners as you learn about their lives, their joys, and their issues.

As part of our services, we will fully plan and coordinate your individual congregational, choir, or youth visit abroad. For individuals traveling on their own, we are happy to help arrange private tours and provide information and tips. All trips include partner home stays as practical.

UUPCC PHILOSOPHY

Our partnership model is based on *PARITY*, not charity.

We value building mutual relationships between U/Us that benefit all in both small and large ways—improving cultural understanding, supporting communities and helping to develop individual, religious, educational, and economic opportunities.

CATHY CORDES TRAVEL FUND

The UU Partner Church Council is pleased to offer grant funding for partnership travel that furthers our mission and vision.

Partner-related travel should not be limited to just North Americans who can afford it! Our travel grant recipients are encouraged to write, preach, and share with the wider community about the benefits and value of the UU Partner Church movement.

ICUU Young Adults

As a service to our members, we provide a no-cost, trustworthy **FUNDS TRANSFER SERVICE** that enables congregations & individual to send money to overseas partners.
