

Hashtag 'Partnership'

Partnership is full of exciting and fulfilling experiences, so whether you use Facebook or Instagram (or both) we invite you to use these hashtags to share with friends and family as well as the broader UU community.

The UUPCC loves to see your photos and videos on Facebook and Instagram as we continue to broaden our social media presence, connecting Unitarians, Universalists, and Unitarian Universalists around the world. Your hashtags count!

Lead your posts with our base hashtag '#UUPCC on any media content you share, and add additional tags like:

#UUpartnership

#UUpilgrimage

#UUabroad

#UUinTransylvania (or India, Philippines, Hungary, Wales, or wherever) *Adding your location hashtag helps our online community follow your adventures.*
