

2019 UU Transylvanian Summer Budget Pilgrimage

You're invited to join us on this unique pilgrimage that begins and ends in the Romanian capital city of Bucharest.

After seeing the capital city, we'll travel north over the Carpathian Mountains into Transylvania where we will tour several Unitarian holy places and tourist sites before arriving in your partner villages. There, pilgrims will discover the warmth and loving hospitality of Transylvanian

Unitarian families while attending church, sharing meals, having fun and getting to know Unitarians from another culture; all for less than \$100 a day!

"What I thought was going to just be "a trip abroad" turned out to be a strong connection and spiritual appreciation of the history of my religion – life changing..."

Fees start at \$1,195/person + \$150 registration fee
