

# CROSS CULTURAL TRANSYLVANIA PILGRIMAGE

July 31 – August 13, 2019

## Experience Transylvania alongside Khasi Unitarians from NE India!

By bringing together three very different embodiments of our global Unitarian/Universalist faith, this pilgrimage helps travelers deepen their U/U roots AND experience the breadth of our faith. Together, Khasi Unitarians and North American UUs will spend 2 weeks visiting historic Unitarian sites, medieval cities and castles, spend time with Transylvanian Unitarians and enjoy the pastoral beauty of central Transylvania - all for less than \$100/day.

*"It's been over a year now since our trip and I continue to value the experience regularly. When I say I'm a Unitarian Universalist now I have a much deeper connection to a much larger, more diverse global community than before. Because the people I met were so different in lifestyle and practices, I was able to connect purely on our shared values which was an important lesson."*

—Robin Bossert, 2017 Cross Cultural Pilgrimage participant from New York City's All Souls Unitarian Church
