IMPORTANT >> UUPCC will no longer make transfers to overseas individuals.
 Due to increased financial reporting laws in Romania, and new IRS regulations in this country, *UUPCC will no longer transfer funds to an individual in another country.* If you are an individual sending money that is not part of a church program, we suggest using a transfer service such as MoneyGram (available at many CVS locations) or Western Union.
Please note, if we receive a check intended for an individual, we will return it to you.
