Experience first-hand this unique outpost of Unitarianism and enjoy the gracious hospitality of the Khasi people. Based mainly in the city of Shillong, the trip will feature visits to many of the significant Unitarian sites of North East India such as the Annie Margaret Barr “Children’s Village” in Kharang, and the historic Jowai church.

There will also be time in places of general interest like a working tea plantation, Monolith Park, and two nights in the spectacular Cheeripungee Gorge with guided hikes to the Khasi “Living Bridges.” The trip will culminate with worship services on Sunday, March 19th, before flying back to Delhi on Monday. Those participants with partner churches in NE India will have the opportunity to visit their respective villages for services and home stays where feasible.

PRE-TRIPS First time to India, or just want to explore? Try these two optional pre-trips. The first extension runs from Feb 16 – 18 with a pre-trip to ‘VARANASI’, followed by a “Golden Triangle” extension in Delhi, Agra and Jaipur that runs Feb 18 – 23. Both extensions will join the base trip in Delhi on Feb 24th. Please see the [website](#) for extension itinerary details and costs.
