

# *Who Are Our Partners Around the World?*

## **SONG: “Under One Sky”**

Music by Ruth Pelham  
Words adapted by Betsy Williams.

Chorus:

We're all a family under one sky. We're a family under one sky.

Well, we're UUs: Hungarians, we're Khasis, and Filipinos.  
Well we're Czechs, Canadians, we're British, and Americans too.

Chorus:

We're all a family under one sky. We're a family under one sky.

We're in Europe, in India, North America, and the Pacific, too.  
We live in cities, in villages, in mountains, and islands, too.

Chorus:

We're all a family under one sky. We're a family under one sky.

Well, we're UUs, we love freedom, we light chalices and sing songs too.  
Well, we're partners, we share our lives, helping out and having fun.

Chorus:

We're all family under one sky. We're a family under one sky.

If you are not familiar with this tune, you can find it in the UUA curriculum,  
*In Our Hands*, by Barry Andrews and Pat Hoertdoerfer.
